RMWB ROAD CONSTRUCTION

Brett Drive & Barber Drive - Road Construction Update

Due to construction starting on Barber the routes listed below have been revised to accommodate the construction in this area. The planned work will continue until the end of October.

All Suncor passengers presently being picked up in this area will be required to walk to the closest RMWB Transit stop.

Suncor services that will be affected by this will be the following: **Route 13** (East & Mine Ops), **Route 13-1** (West), **Route H** (East and West) and **SBC 7A**

Thank you for your patience and cooperation.
