

RMWB Road Construction – Grayling Crescent
Routes 3, 3-1, B and SBC 4C

April 26, 2016

RMWB Road Construction – Grayling Crescent

From May 7 until June 18, routes will be revised due to Grayling Crescent road construction. Services that will be affected include **Routes 3 and 3-1, Route B and SBC Route 4C**.

This planned work means that all Suncor passengers presently being picked up in Grayling Crescent will be required to walk to the designated pick up location. Shuttle service will not be provided at Grayling Crescent due to lack of space and congestion in the area.

Thank you for your understanding and cooperation.
