

**Fort McMurray Road Construction – Fullerton Drive (Phase 1)
Route 10, 10-1, Route D and SBC 5W**

April 29, 2016

RMWB Road Construction – Fullerton Drive (Phase 1)

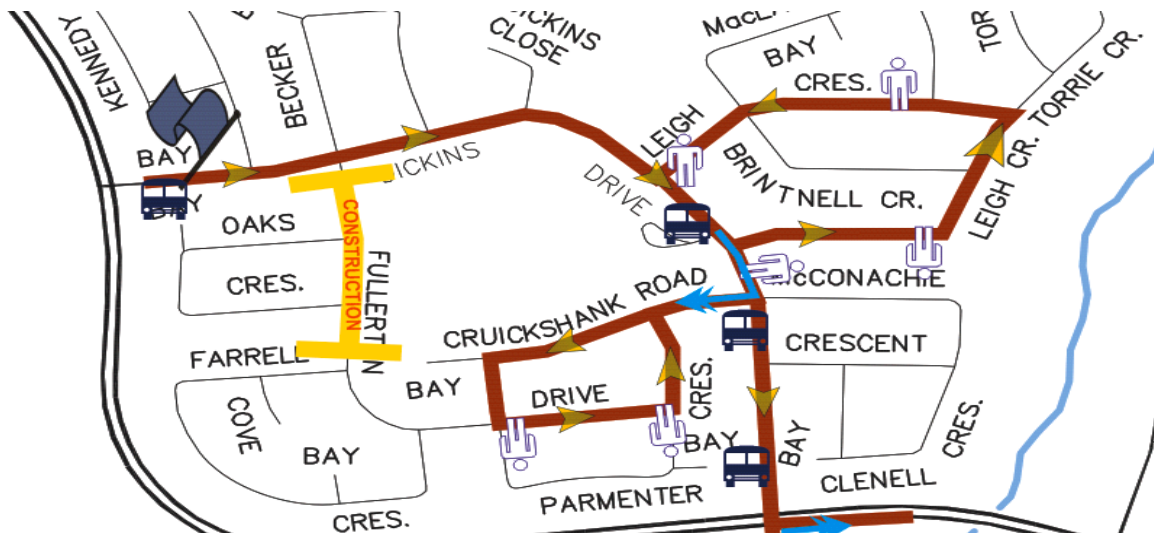

From May 5 until approximately November 16, utility repairs and installation will take place in Dickensfield, resulting in full road closures on Fullerton Drive, Farrell Crescent, Leigh Crescent and Torrie Crescent.

Phase 1 - Fullerton Drive will start on May 5.

Routes that will be affected include **10 and 10-1, Route D and SBC Route 5W.**

This planned work means that all Suncor passengers presently being picked up on Fullerton Drive must walk to the designated pick up location. Shuttle service will not be provided due to congestion and lack of space in the area.

As information becomes available regarding subsequent phases, updates to the revised routes will be communicated. Updates are also available on sunlink.suncor.com.

Thank you for your cooperation.
