Lodge overview

Arrival

If this is your first time at Mount Logan:

- You will need to check in at the front desk.
- All guests must sign an Accommodation Rules & Regulations & Drug Interdiction Procedure form. You are only required to sign this once a year. This can be completed on-line prior to arrival, please see:
- https://sunlink.suncor.com/lodging/policies_guidelines
- The front desk staff will program your Suncor ID badge with access to the Core Building and your assigned room. This access will automatically expire on check-out day.

If you are a returning guest at Mount Logan:

- Room assignment will be posted on the bulletin board next to the front desk - you will be identified by your Suncor ID badge.
- On your check-in day, your Suncor ID badge will be automatically programmed enabling you to access the lodge amenities and your guest room. Unless you require additional assistance, you are not required to go to the front desk to check in if you are a returning guest.
- Guests need to complete an Accommodation Rules & Regulations & Drug Interdiction Procedure form each year. If your form has expired or will expire within two weeks, your badge ID will not be posted on the bulletin board and you must go to the front desk. **Please complete the on-line consent form prior to arrival.**

Dining

Dining

At Mount Logan Lodge, Suncor ensures that every guest receives a customized dining experience to suit their needs. Our food stations and rotating options can include Asian, Mexican, or Italian inspired meals, as well as traditional comfort food right off the grill.

Dining room stations include:

- Fresh – Alternating freshly prepared menu
- Slice – Pizza and Italian selections
- Chop – Grilled options
- Zen – Asian inspired
- Sip – Hot and cold beverages
- Sweet – Desserts and treats

Guests can return to the stations as often as desired. Our main line is self-serve, allowing guests to control their own portion sizes, ensuring they can get the meal size they want while reducing food waste.

All outdoor clothing must be removed before entering the dining area.

There are also vegetarian options available at every meal.

A certified chef plans and prepares all meals, posting daily menus outside the entrance to the dining room.

Dining and Lunch Room Code of Conduct

The following Code of Conduct is in place to create a comfortable and enjoyable dining experience for all guests.

- Cell phone use is not permitted in the dining facility at any time.
- Plastic food containers and backpacks are not permitted inside the dining room.
- No food can be removed from the dining room.
- You are not permitted to wear coveralls/overalls, headwear, sleeveless shirts, dirty work boots, and winter jackets; entry will be refused.
- If you have any specific dietary request, please speak to the chef or food service manager.

Amenities

Boots-off facility

The lodge is our home; we require that all guests and visitors entering the lodge remove their boots and outdoor footwear. There are a boot room and lockers available for guests to store their footwear. Please bring indoor footwear with you to site.

Boot lockers

There is a boot locker room at the entrance of the lodge. Guests are required to use these lockers throughout their stay to store their boots. Please make sure to remove your personal items before you check out.

Housekeeping

We take pride in our lodges. The lodge and rooms are cleaned on a regular schedule.

Housekeeping activities include:

- In the lodge rooms, weekly linen and towel change, and mid-week refresh
- In the lodge core, daily cleaning of the public washrooms and laundry facilities.

If you are working the night shift, please use the *Night Shift* door hanger to let housekeeping know you don't wish to be disturbed. **For your safety: Do Not Disturb rooms are checked daily after noon.**

To allow for cleaning, please ensure your room is kept tidy.

Internet access / use

Wired and wireless internet is available in every room. The password for wireless access is located in your room.

We ask that guests adhere to the following guidelines for Internet use while staying at the lodge:

- Do not use the Internet for illegal downloading, copying, sharing, or where the violation of any copyright laws may occur.
- Do not post, send or forward material that could be seen as obscene, offensive, libelous, defamatory, harassing, illegal or unethical.
- Avoid websites that contain tasteless, obscene, insensitive, racist, political, sexist or hateful material. Sexual, ethnic and racial harassment is strictly prohibited.
- If you accidentally connect with a website that promotes illegal activities, or contains sexually explicit, racist, violent, or other potentially offensive material, you are required to immediately disconnect from that site.

Laundry

Washing machines and dryers are available in each wing. Complimentary laundry detergent and dryer sheets are available.

Maintenance

Maintenance will address issues ranging from burnt out light bulbs to broken furniture. Please visit the front desk between the hours of 0400 and 2300 to complete a maintenance request form to report any maintenance concerns in your room. Between the hours of 2300 and 0530 there is a maintenance log located at the front desk that guests can use to report maintenance concerns.

All maintenance concerns are checked daily and will be addressed in a timely manner. Depending on the nature of the concern, some requests may require a longer period of time to resolve. We appreciate your patience.

Health and wellness

Health tips

Minimize your chances of getting sick:

- Keep your hands away from your face to reduce the incidence of disease transmission.
- Practice good respiratory hygiene by coughing or sneezing into tissues or your sleeve to reduce bacteria and virus transmission.
- Hands should be washed for 15-20 seconds with soap and warm water after using the toilet, when touching anything that may be contaminated and when visibly soiled.
- Use disposable alcohol packets to disinfect telephones and computer keyboards at work.
- Get plenty of sleep, be physically active, manage your stress, stop smoking, drink plenty of fluids and eat nutritious food.

Medical assistance

The medical centre is available 24 hours.

The medical centre is located on-site at the EMS Fire Hall building for non-emergencies, please speak with the staff at the front desk at 780-790-2400 or security office at 780-791-8378.

For serious injuries or in an emergency, please call the Suncor Emergency Line at 780-742-2111. This number is printed on the back of all Suncor ID badges.

Safety and security

Emergency

An emergency evacuation plan is posted on the back of the door in each room and at the entrance and exit to each building. Please familiarize yourself with your closest exit. In case of an emergency evacuation: exit the lodge and go to the assembly area identified on the plan to wait for further instruction. Guests are asked to remain in the assembly area until the all-clear is given by Emergency Services or Security. In the case of an emergency situation, please call the security office.

Lightning

In case of lightning in the area, the recommendation is to retreat inside the lodge for safety, if not on the job site.

Sniffer dogs

Sniffer dogs frequent lodges to do random inspections. If a positive detection is made, a member of the search team will enter a lodge room to investigate.

Dogs will also monitor the parking lots. If a positive detection is made, a member of the search team will contact the registered owner of the vehicle. The registered owner of the vehicle will be asked to unlock the vehicle and allow the search team members to perform a hand search of the vehicle. Any drugs, drug paraphernalia or contraband will be seized and reported.

Guests who fail to permit the search team members access to their vehicle may be subject to disciplinary action.

Visitors

Quiet must be maintained in all rooms from 11 p.m. - 5 a.m. and 11 a.m. - 5 p.m. Excessive noise will not be tolerated at any time.

Wildlife safety

Due to the remote location of our operations there is a potential to encounter dangerous wildlife such as bears, cougars and other animals. Precautions have been taken to limit the risk of these encounters. In the event of a wildlife sighting, please inform Wildlife Reporting at 780-588-3500

Additionally, here is what you can do to keep yourself and others safe:

- Secure garbage bins.
- Do not prop open doors.
- Do not feed, tease or provoke wildlife at any time.
- Avoid traps set for wildlife.
