

## **6:30/18:30 Shift Busing Service Expansion**

Please be advised that effective Monday June 20th the 6:30/18:30 Shift busing service (formerly Upgrading Shift Operations busing service) will be expanded to provide coach service to/from 41A and yellow bus service to/from 811 and Plant 6. Currently serviced site locations - 41B, 1055 and 160 - remain unchanged.

Please see the attached updated (*effective June 20<sup>th</sup>*):

- Coach service timetables from town to site
- Yellow bus service schedules arriving on and departing site

There are no changes to the Zone maps to/from site for this service; all updated timetables (under *6:30/18:30 Shift Service*) and yellow bus schedules (under *Shift Change Buses*) are available on Sunlink.

***Please note:*** the 6:30/18:30 Shift busing services are open to all Mildred Lake site employees *with* Syncrude leadership approval for the earlier shift start.

Please contact [GT\\_Syncrude@suncor.com](mailto:GT_Syncrude@suncor.com) with any questions.

Thank you
