

Fort Hills to YMM - Bus Service Adjustment

Dec 20th, 2018

Fort Hills to YMM bus service adjustment

We heard traveller's requests for change to the Fort Hills Operations bus service to the Fort McMurray International Airport (YMM), and starting January 4, 2019, **all travellers leaving on a Friday or Sunday flight will depart from Main Admin.**

This will prevent them from arriving at YMM an hour and 40 minutes early and support our mission to avoid lost time.

- Bus routes from McClelland Lake Lodge and Mount Logan Lodge on Fridays and Sundays will be cancelled. Travellers departing from McClelland on their travel day can review the FH Site Service Bus Schedule on SunLink. Transportation that can accommodate luggage transport is identified.
- Travellers departing from Mount Logan on their travel day can utilize the standard travel day luggage service available.

The new schedule is posted at sunlink.suncor.com/schedules_and_routes.
