RMWB Road Construction – Route D, D2 and MacKay River Route 3

July 23 to approximately September 15, 2019.

Starting Tuesday July 23, Route D, D2 and MacKay River Route 3 will be revised due to RMWB road construction.

This planned work will close the intersection of Dickins Dr. and Cruickshank rd. This detour will affect 2 stops on Dickins Dr. between Cruickshank Rd and Thickwood Blvd and those passengers will need to walk to the Transit Stop on Dickins Dr across the Shell gas station between the 2 ends of Leigh Cres.

For McKay River 3, this will only effect one stop between Cruickshank Rd and Thickwood Blvd. The effected passengers will have to use the same Transit stop as Route D and D-2.

Thank you for your understanding and cooperation.
