

Syncrude Site Shuttle Service Update – October 1st, 2023

Effective Sunday, October 1st the on-site (41A-41X) and Fort McKay shuttle services for the Syncrude sites will be provided by Sakasteew Transportation.

There are no changes to the current schedules for these shuttle services.

The Fort McKay route will be updated to include service to the area highlighted below.

Please contact GT_Syncrude@suncor.com with any questions.
